

God at work before, through and around us

As we continue to work together to fulfill the mission that we believe God's called us to, which is to multiply Christ-centered churches and to see Canada transformed by the good news of Jesus Christ. I'm always inspired by the stories of people coming to faith across our country.

Just recently, I heard a story about a couple in downtown Vancouver who came to Christ through the ministry of one of our church planters. I heard another where a fellow who was trying to attend an AA meeting in the same community centre as the church, ended up at a church service by mistake and was led to Christ.

We can see that God is at work before us, God is at work around us and God is at work through us. This is very exciting.

I would also invite you to continue to pray with us. Our national prayer is Luke: chapter 10, verse 2, which is to pray for workers for the harvest. So set your alarms for 10:02, like many of us have across the country, and when your alarm goes, just put a prayer up that's asking the Lord to bring workers for the harvest, which is what he told us to pray for.

We would also invite you to pray on the first Tuesday of every month. This is the day that the National Executive Board has set aside for prayer and fasting. You can look at the prayer calendar on the website or in the MB Herald and see the different things to pray for. But we would invite you on the first Tuesday of every month to join us for prayer and fasting as we ask the Lord to work.

As we know it is prayer that moves the hand of God, and ministry doesn't happen without the hand of God working because we are totally dependent on Him. We ask that you get on your knees, along with other Christ followers from across Canada to see the Holy Spirit move through Christ-followers in our nation, to draw followers to Him.
